MYKASIH FOUNDATION

CHARITY GOLF FOR RURAL KIDS EDUCATION FUND

ROC continues to contribute to the welfare of the under-privileged in Malaysia.

ROC recognises that wherever it operates there will be people with legal, economic and emotional ties to the area. It seeks to engage and deal openly with community and personal interests in a sensitive, just and equitable way. ROC sees that it should not only be a good neighbour, but that it must also be a responsible local citizen in areas such as employment, local expenditure, training and support of local community initiatives. As a result, ROC continues to contribute to the MyKasih Foundation as a silver sponsor in the Samarahan Charity Golf Event.

The Samarahan Charity Golf Event was held on 30th April 2017 at the Samarahan Country Club, Kuching, Sarawak. The event aimed to raise funds to provide rural children in Sarawak with educational assistance. It was organised in collaboration with MyKasih Foundation, under the patronage of YB Datuk Amar Douglas Unggah Embas, the Deputy Chief Minister and Minister of Modernisation and Rural Economy of Sarawak.

Pleased to continue to be sponsors, Dr Yuanlin Jiang, Chief Executive Officer, said “It is ROC’s intention to continue to build long term relationships and respond to broader community issues and needs. Its core focus will be to continue to target educational partnerships and active sponsorships. We consider that a partnership with the MyKasih Foundation perfectly complements ROC’s philosophy and goals in this respect”.
